President's Message

These past nine months have been a journey in itself. Not only have I learned an immense amount myself, I have I come to find that no matter what the obstacle, there will always be someone ready and willing to help you overcome it. I was very fortunate to have an amazing graduation committee who made planning grad less a job and more a get-together. The teacher advisors and parent volunteers made our lives so much easier as they were always willing to donate their time in helping us with whatever we needed.

This has been an incredible senior year. I loved being your graduation president and I am grateful that my peers trusted me with the job. I hope everyone enjoyed their grad and won't soon forget it! Embrace whatever the future has in store for you and remember your *journey of a lifetime* is just beginning!
